6:00 to 9:00pm

YOUTH NIGHT AT THE MUSEUM

An evening dedicated to educating our youth about hunting and the conservation of wildlife with the opportunity to view some of the most exotic mounted wildlife species from all over the world on display at the Trijicon Wildlife Museum.

This event will feature a tour of the museum, presentation of hunting films by Mr. Stephen Bindon, President and CEO, Trijicon, Inc. and a discussion about world wildlife conservation programs being conducted by SCI.

There will be special raffles and prizes for the youths in attendance

Complimentary buffet dinner will be served courtesy of Trijicon, Inc.

Trijicon World Headquarters  
49385 Shafer Road
